

**NM Custom Drums**, located in Perth Ontario, is pleased to announce the release of their new line of Tenor and Bass drums for the 2008 season.

## The Champion Supreme Series

Custom built mid-section drums incorporating the technology and the knowledge gained from building drum sets, concert percussion, marching equipment and the restoration of vintage drums.

Creating a beautiful sound with unlimited options for a personalized look, this hand finished product is a perfect fit for any individual or organization.

**NM Custom Drums** can also rebuild and refit existing drums to match the custom shell colors.
